# Damage Classification

## Non-chargeable damage

- Scratch, scuff, abrasion or superficial scrape on the bodywork (excluding roof, windows, mirrors, lights, underbody, rims and tyres) up to 3 cm, removable with simple mechanical polishing.
- Single dent up to 3 cm (minor dent or isolated paint chipping) repairable with simple paint touch-up.

# Damage Classification

## Minor damage

- Superficial scratch or scuff between 3 and 10 cm, removable with simple mechanical polishing
- Abrasion or scrape between 3 and 10 cm, removable with simple mechanical polishing
- Single dent over 3 cm (minor dent or isolated paint chipping) repairable with simple paint touch-up

# Damage Classification

## Intermediate damage

- Scratches or scuffs over 10 cm, not removable by mechanical polishing, with corrosion and penetration of the bodywork
- One or more dents over 3 cm affecting the same body panel/section of the vehicle body (dings, indentations with slight bodywork deformation)

# Damage Classification

## Medium damage

Deep scuffs or deformations on a single body part/panel requiring full repainting, repair and possible replacement

# Damage Classification

## Severe damage

Major deformation and/or deep penetration affecting one or more body parts/panels

- Bodywork tear or split
- Damage that compromises the operation and use of the vehicle (and does not fall within the previous categories of minor, intermediate or medium damage)

# Damage Classification
